# They Build Structure: While We Build Future

INTRODUCING ROBOTICS AS A TOOL FOR EXPLORING

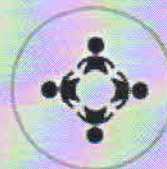

## We Believe

The students regularly make use of the sports infrastructure and indulge in sports like Swimming, Basket ball, Volley Ball, Throw Ball, Skating, Kho Kho, etc

### IIT And Integrated Concept Teaching Methodology

We integrate CBSE, IIT and ICSE curriculum for concept oriented teaching to give the students a lot of scope to observe...

### Holistic Development

We encourage learning that is not just restricted to the classroom. Sports and other extra-curricular activities are a great way to take learning outside the classroom...
